VISITING RESEARCHER PROGRAMME (VRP)

Eskişehir Osmangazi University (ESOGU) has launched a new mobility and exchange programme enabling international researchers to set up a research team within the University or join an existing one to carry out scientific research activities. VRP does not have any field or discipline limitations and open for applications by international PhD holders to execute scientific research within a specified period at ESOGU.

General Requirements and Principles

- The programme is open for applications for only PhD researchers living or working abroad.
- The travel, living and accommodation expenses will be met by the researchers own and ESOGU does not commit any payment to the incoming researchers.
- The minimum and maximum allocated time for the guest researchers will be respectively limited to 1 week or 2 terms and these periods may be renewed.
- Guest researchers are expected to carry out at least one of the following activities during their time at ESOGU:
 - ⇒ Giving lectures in their field
 - ⇒ Attending such activities as seminars, conferences, courses, workshops, etc.
 - ⇒ Carrying out scientific research within their field
 - ⇒ Preparing project proposals or executing/participating into the projects in their field
 - ⇒ Acting as a jury within theses defences
- Guest researchers will have an advisor/consultant to be attended among ESOGU researchers to help them with academic or social affairs.
- Guest researchers need to fill in the application forms provided with this call and send the form to the International Office of ESOGU through: erasmus@ogu.edu.tr
- The application forms had better be filled by the help of a researcher from the related field/discipline.
- All the procedures related to the VRP is coordinated by the International Office.
